

Palestine/Anderson County Amateur Radio Club – K5PAL

Net Control Preamble

CQ – CQ – CQ. This is _____. My name is _____ and I am located in _____.
callsign *name*
town/community
Tonight I am the Net Control Operator for this regular session of the Palestine/Anderson County Amateur Radio Club Monday Night Social Net.

Before we begin, is there any station with emergency, priority, or time-valued traffic? If so call now. **Brief pause to wait for any traffic.**

The PACARC is a club dedicated to the advancement of amateur radio in our community.

This net meets every Monday night at 7:30 PM. The purpose of this net is for the exchange of traffic, news, opinion and information. It also allows us to relay information of interest to Club members and other amateurs.

This net is open to any and all amateur radio operators with a Technician or higher class license. All amateurs, whether a Club member or not, are invited to check in and join us.

This is a directed net, so please direct all inquiries and comments through Net Control.

At this time I will begin with short-time check-ins. A short-timer is an operator who cannot stay for the entire net. Short-time check-ins, call Net Control at this time. **List the callsigns as they check in, then go down the list and allow those with anything to say to proceed.**

After short-timers, begin with regular check-ins. I will now begin with regular check-ins. Regular check-ins please check in now. This is _____, net control.
callsign

After going down the regular check-in list twice, ask for any rechecks. Are there any rechecks, further comments, or late check-ins? **Brief pause to wait for any traffic.**

If not, this concludes tonight's net. I want to thank everyone for checking in. All amateurs, and those interested in amateur radio, are invited to the P.A.C.A.R.C. club meeting on the first Tuesday of every month at the club house located on the corner of Caplin and Easy Streets in Palestine, Texas. The meetings begin at 7:00 PM. Additionally, if anybody has questions about tonight's net, or amateur radio in general, please feel free to send an e-mail to PACARC@gmail.com or visit our website at W W W dot P A C A R C dot O R G.

This repeater is now returned to other amateur use. The time is _____. This is _____ clear.
